MRS. NATION, THE NEMESIS.

Carries Her Crusade to Another Town.

Chops Up a Saloon at Enterprise, Kan.

Billings' Palace of Sin is Reduced to Ruins By the Female Fanatic.

NEW ASSOCIATED PRESS—M. J. NATION (Kan.), Jan. 23.—A Capital City from Enterprise, Kan., says: Carrie Nation, the Wichitan crusader, began her crusade in Enterprise today by demolishing a saloon and delivering a street lecture.

Arrived on the early morning Santa Fe train from Wichita and went to the home of C. B. Hoffman, a well-known Populist leader.

She was away, but his wife was present, and a temperance meeting was held at the house at 2 o'clock, attended by a dozen or more women.

After perfecting plans, Mrs. Nation went to the saloon, accompanied by Hoffman, Mrs. L. A. Case, a leader of the movement, and another woman who was veiled. The two jointed saloon locked the saloons and were waiting.

Mrs. Nation went to Schilling's saloon and attacked the glass doors, smashed the glass out of the door and stepped into the deserted saloon.

She then went to the bar, chopped up the bar, and broke all the bottles and shot glasses.

"JEFF" JUMPS THE ROPE.

The Big Man Bounces Like a Rubber Ball—Fight Will Come Off as Scheduled.

CINCINNATI, Jan. 23.—[Exclusive Dispatch.] Jim Jeffries put in his second day's training at Prince Hill House today. "Jeff" jumped the rope 2000 times before he tackled the hand-tamweight dumbbells. He is undoubtedly faster and shifter than he ever was in his life. He bounced over the floor like a big rubber ball, with a step as springy as that of a light-weight.

"Jeffries is a remarkably fast runner," remarked Billy Delaney, as the champion was skipping about. "I once offered to back him against 'Kid McCoy' in a foot race for \$100 a side, but the 'Kid' wouldn't take it."

Undoubtedly Jeffries is unusually fast for a man who will tip the scales at 215 pounds. He is already in splendid condition. Mayor Fleischmann today informed the Saengerfest board that a permit for the fight, February 1, will be granted two days before the contest. The Saengerfest people called on His Honor to ascertain if he had changed his attitude, but he answered that he had not. The directors thought him and said the fight would surely be held. Unless there is another change of programme, seats for the contest will be put on sale next Saturday.

"I think there will be a few bombs fired within twenty-four hours that will come pretty near quelling the opposition," remarked E. G. Cooke, who is acting for the Brady-Jeffries end of the contest. Suits for damages will be filed against the leaders of the opposition. It will be alleged that the Saengerfest Athletic Club is acting entirely within the rights guaranteed it by the laws of Ohio, and the attacks made upon it are only continued for the purpose of injuring the attendance. Work on the building will begin Friday or Saturday.

LEWY'S PRODIGAL SON.

Sacrifices His Hopes of the Brooklyn Butcher's Millions for the Love of a Pretty Christian Waitress.

(BY DIRECT WIRE TO THE TIMES.)

NEW YORK, Jan. 23.—[Exclusive Dispatch.] For love of Sarah Lewis, head waitress in a Fulton-street restaurant, Abraham Levy sacrificed his membership in the wholesale butcher firm of his father, Aaron Levy, the millionaire of Brooklyn. The family's opposition to the match broke him down physically, and he has gone to Southern California to recuperate. The pretty twenty-two-year-old waitress is still at work, but it is whispered she, too, may leave for California soon, and may be a quiet, pretty wedding in Los Angeles.

Levy met her during his visits to the restaurant. It was a case of mutual love at first sight. When he sought to introduce the girl to his family he met with violent opposition, because she is a Christian. His father asked him the choice of giving up the girl or his partnership in the big firm. When the father discovered that Abraham had left for California, he declared he would disinherit him. Later, when he found his son was still in town, he said he hoped the California climate would return his son sane and loved.

SETH ABBOTT'S ESTATE.

Will Be Administered by Mary M. Bartime—Court Decides Against the San Diego Petitioner.

(BY DIRECT WIRE TO THE TIMES.)

CHICAGO, Jan. 23.—[Exclusive Dispatch.] Public Administrator Mary M. Bartime was confirmed today by Judge Cutting as the custodian of the estate of \$100,000 left by Emma Abbott to her father, Seth Abbott, recently declared insane. The decision was in the form of a refusal of the petition of D. L. Murdoch of San Diego, Cal., where Abbott lived before he became insane, that the Public Conservator be disclaimed on the grounds that Abbott was not a resident of Chicago, nor did he own property situated in Cook county.

The estate left him by his daughter is in trust with the Farmers' Loan and Trust Company of New York. The petitioner was favored by Fred M. Abbott, son of Abbott, and was opposed by Mrs. Lizette Clark, daughter of Abbott.

MISS FRENCH'S AMBITION.

The Young San Franciscan Has a Fortune, but Seeks Fame on the Professional Stage.

(BY DIRECT WIRE TO THE TIMES.)

NEW YORK, Jan. 23.—[Exclusive Dispatch.] Miss Pauline French of San Francisco, young, beautiful, possessed of a fortune in her own right, was introduced to the Electric Club, Delmonico's, today, as the "Electric City's" leading lady.

Miss French is another heiress who is determined to win professional laurels on the stage. Amateur story has already been won in her native city, where she appeared in numerous theatrical benefits for charitable objects.

One of these was an outdoor performance of "As You Like It," which was given in the garden of Mayor Sutro. Miss French was the only non-volunteer to have a leading part in this performance, in which several prominent actors and actresses then visiting San Francisco appeared as volunteers. Rose Coghlan played Hamlet, and Miss French played Celia most acceptably.

Miss French will act the leading part in the play "Locked Out," which will form the dramatic part of the operatic and dramatic entertainment to be given by the Electric Club, February 1, at the Waldorf-Astoria benefit to the Army Relief Society. The piece has been played by Langtry abroad, but never in this country.

Miss French has just returned from Europe, where she has been studying for the stage.

PROBET AGAIN A DIRECTOR.

NEW YORK, Jan. 23.—John D. Probet was today elected a member of the board of directors of the Southern Railway. This action was taken following the order of the board, which at a recent meeting had elected him a director from eleven to twelve. Mr. Probet was also made a member of the Executive Committee.

Mr. Probet, who was formerly a director, resigned a few months ago to accept a vacancy so that President Hayes might be elected to the board.

STOMACH CATARRH.

An X-Ray Examination of an Incurable Dyspeptic.

PE-RU-NA THE LAST RESORT

A. C. Lockhart, West Henrietta, N. Y.

A. C. Lockhart, West Henrietta, N. Y., box 18, in a recent letter to Dr. Hartman, Columbus, O., says: "About fifteen years ago I commenced to be ill and consulted a physician. He prescribed my trouble a species of dyspepsia, and advised me, after he had treated me about six months, to get a leave of absence from my business and go into the country. I did so and got to the point where I had treated me for one year."

"I seldom had a passage of the bowels naturally. I consulted another physician with no better results. The disease kept growing on me until I had exhausted the ability of sixteen of Rochester's best physicians. The last physician recommended me to give up my work and go south, as he had treated me for one year."

"It was given a thorough examination with the X-ray. They could not even determine what my trouble was. Some of my testimonials in the Rochester Advertiser, which I have worthy of consideration, and I made up my mind to try a bottle of Pe-Ru-na. Before the bottle was half gone I noticed a change in my stomach."

"I am now on the fifth bottle and have not an ache or pain anywhere. My bowels move regularly every day, and I have gained sixteen pounds of flesh. I have recommended Pe-Ru-na to a great many, and they recommend it very highly. I have several people who would take a bottle of Pe-Ru-na, and could then testify that it had not been tried, I would say for the medicine."

Memorial Service.

The Church of the Ascension, Boyle Heights, will hold memorial services on Sunday morning at 11 a. m., in honor of the late Queen Victoria.

Tonga, Their Match.

Talk about the Police Station is that the local tonga have buried the hatchet for a while. The fact that the complaining witness in the W. D. assault case failed to appear to prosecute, is pointed to as proof.

Joseph Flager.

Joseph Corns, a boy helper in a restaurant on First street, was treated at the Receiving Hospital yesterday for a bad cut on the middle finger of his left hand. He sliced the nail off while cutting vegetables.

Vag Cases.

The case of the vagrants who confined once to being "idle and dissolute persons," and then reported and sent to get trials, will come under advisement today. Justice Morgan has announced that his decision in the case will be made this morning.

Signs of Insanity.

Charles Walley was arrested last night at Fifth and Los Angeles streets and sent to the Receiving Hospital for treatment on the suspicion that he is insane. It is said that yesterday afternoon he chased a man with a butcher knife along Los Angeles street.

Distinct Occupations.

Last evening's papers contained a number of scare-heads, interviews with "wrecked people," so-called, on the burning question whether hugging is a necessary part of dancing, and dominating opinion seemed to be that the two occupations should be conducted separately.

Welding the Schools.

The members of the Board of Education devoted a part of yesterday to visiting public schools in the Sixth Ward. It is the intention of the board to visit all of the schools in order that the members may be better able to understand the needs of the several buildings and their pupils.

Had No Election.

An election was to have occurred in Co. E, Seventh Regiment, N. G. C., last night, but was postponed. The company has at present no second lieutenant. Charles Brown, who had the election, has gone to Winslow, Ariz., to be with a man with a superior position of that division of the Santa Fe.

My, Rich Disposition!

Fond mamma view with alarm and apprehension recently issued invitations to a swaggar function here. The hour for the mix-up was to begin at 10 o'clock, about the swiftest ball ever this season began at 9 o'clock, and the next had to go on better. At 10 o'clock, the police will be called in.

Wilson Is Missing.

Charles Jones was arrested yesterday on a charge of taking money belonging to the Walters Association. Jones was the boon companion of a man named Wilson, who was employed by the association. He had access to the funds, when \$25 in money and \$10 worth of cigars and liquor disappeared. When Jones was arrested he had \$7.00. He says that Wilson has gone East.

We Started Him.

Harry Hoodini, known in vaudeville as the "handkerchief king," and who got his first real start in Los Angeles, is making a big hit in Europe. A recent number of Black and White gives several pages to his peculiar genius for wriggling out of handcuffs. The police of Germany and England have tried all sorts of engines and manacles on him, but have not failed to get anything he could not unlock.

Advice to Burn.

"A Stranger in a Strange Land," which will be played in this city next week, had a peculiar performance the night that it took the road. It was in Chicago, one hot Sunday night last fall, when all sorts of companies were on the verge of starting. This first road performance was attended by some thirty managers and theatrical agents. Every one of them had some friendly tips to give.

Child Study Meetings.

The Child Study Circle met yesterday afternoon at the Hayes-street school, with the largest attendance ever had in that building. Mrs. D. P. Hatch, president of the Seventeenth-street division, spoke. A committee was appointed to visit the city schools and report upon their condition, and the meeting closed with remarks by the president, Mrs. O. A. Shorb. This afternoon the circle will meet at the Hayes-street school, at 3 o'clock.

Bugs He's a Thief.

A young man giving his name as J. Wilson approached a policeman on the street last night and stated that he was the man who was implicated in the theft of \$25 and several hundred cigars from the Walters Association rooms at No. 119 West Second street, for which crime a man named Johnson pleaded guilty in the Police Court yesterday. Wilson said the robbery was committed by himself. He was the bartender in the clubhouse, and says he took the cigars and money and divided the strength of the Wilsons.

Crushed by Train.

It was a dreary death that some unfortunate man found beneath the wheels of a night train of the Southern Pacific Tuesday night. Yesterday morning a mangled body was found on the railroad bridge across the Los Angeles River. The remains were picked up and taken to Coroner's. Where an inquest was held yesterday afternoon. In his pocket was found a receipt for a money order for \$10. At the postoffice, the Coroner learned that the receipt was for an order sent by William Harris to Peter Harris of Cornwall, Eng. From this it is supposed that the man's name was William Harris and that he was being taken to the States.
